April 23, 2009

In the Amador section of the March Edition of the 2009 Hughes Exploration Group Spring Newsletter distributed at PDAC in Toronto, the Kell Silver project was incorrectly quoted as having a 2,401 g/t gold over 1.73 m and 262 g/t gold over 8.63 m. This should have been 2,401 g/t silver over 1.73 m and 262 g/t silver over 8.63 m.

We apologize for any confusion this may have caused.
